National Board Alumnae Advisory Committee

Article I. Name

This organization shall be named Sigma Omega Nu National Board Alumnae Advisory Committee (SON, NBAAC).

Article II. Purpose and Objectives

The purpose of the committee is to advise the National Board on specific issues, when requested. The committee shall also hear appeals on decisions made by the National Board, including but not limited to deactivations and other Judicial Review sanctions.

Article III. Membership

Section 1. Requirements

Membership on the committee shall consist of up to seven (7) alumnae members. At least four of the seven alumnae members must have completed at least one full term on the National Board and have been an alumna for at least five years. Active alumnae and chapter advisors are not eligible to serve on the committee. Ideally, membership should include alumnae from different chapters and graduation years, and diverse fields.

The committee advises the National Board members and therefore, the committee members shall have no voting rights, except in cases of appeals. Members are expected to be professional, be available for virtual meetings, as needed, and not be swayed by personal relationships or ties to a specific chapter.

Section 2. Admissions Process

Interested alumnae shall submit a professional resume and letter of intent to the National Board via email at **national.sunnies@gmail.com**. The National Board shall appoint members who meet the membership requirements and these appointments shall be approved by the National Council. Interviews may be conducted, when necessary, but are not required.

Section 3. Term

Members shall serve no more than two successive terms, unless there are no other members requesting to join, in which case that member's term may be extended with the approval of the National Board. Members may be reappointed following a one term hiatus. Terms shall begin on February 1st and end on January 31st.

Section 4. Resignation

Due to the voluntary nature of committee membership, members may resign at any point. As courtesy, a letter shall be submitted to the Alumnae Advisory Committee membership and the National Board President as soon as reasonably possible.

If there is an appeal in process, members are expected to complete the appeal process before resigning. If members fail to do so, they will not be permitted to apply again for at least two years.

Section 5. Responsibilities

The responsibilities of Alumnae Advisory Committee members are to provide guidelines and recommendations of best sorority policies and practices (including short term and long term strategic goals). Alumnae Advisory Committee member recommendations shall be presented to the National Board in written form. The National Board will review recommendations and approve or deny implementation.

Matters of discussion shall include, but are not limited to the following topics:

- Disaffiliation cases
- Branding of the sorority
- Legal matters
- Risk management practices
- New member initiation
- Financial matters
- Other functions as needed

The discussion including any documentation shared with the members of the committee shall be held as confidential and shall not be shared with any member, person or entity outside of the Alumnae Advisory Committee or the National Board.

Article IV. Officers

Members of the committee shall all be equal in standing and roles. The committee shall rotate the lead position for each meeting; unless one member is elected by the committee to lead for the term.

Article V. Meetings

Meetings shall be called as needed by the National Board President with at least 2 days written notice. Email or Text is acceptable as written notice. These meetings shall be held via teleconference. The minutes shall be taken by the designated Advisory Committee member and shall be kept for the term of the current membership.

Alumnae Advisory Committee members are permitted to attend all National Board and National Council meetings.

Article VI. Amendments

Amendments to the Committee Bylaws may be recommended by any member of the Alumnae Advisory Committee and/or the National Board and shall follow the proposal process.

Article VII. Adoption

Adoption of the Bylaws and Procedures of this Committee shall be made effective immediately following approval of the Sigma Omega Nu National Board.
