

Prospective Little Sister Disclaimer

Sigma Omega Nu, Latina Interest Sorority, Inc.

The following disclaimer lists Sigma Omega Nu's Anti-Hazing Policy and Confidentiality Agreement. All Prospective Little Sisters are to review the document to ensure you understand what is in place to protect you and the organization.

Anti-Hazing Policy

All Prospective New Members and Little Sisters of Sigma Omega Nu are to be treated with the same level of dignity and respect as initiated members. The entirety of the Big Sister Little Sister (BSLS) Process must fully adhere to the Standardized Pledgeship guidelines, as approved by the National Board.

Hazing is strictly prohibited before, during, or after the BSLS process. At no time shall an initiated member of Sigma Omega Nu request, require, or engage in any act involving Little Sisters that could reasonably be interpreted as hazing under federal, state, or university law or policy. Engaging in these acts includes willful participation and failure to report hazing. Hazing includes, but is not limited to, acts that are degrading, humiliating, physical or mentally abusive, verbally abusive, intentionally cruel, harmful, or illegal in nature. This includes "chapter traditions" or "chapter practices" that are not approved.

To become a member of Sigma Omega Nu, you are not required to, and should not, participate in any form of hazing. If anyone tries to haze you, or asks you to do something that feels wrong, you must report it immediately to Sigma Omega Nu's National Board (national.sunnies@gmail.com). You may also report to your university and/or Greek Life officials.

By initialing below, you confirm you will report any hazing or suspected hazing. _____(Initials)

Confidentiality Agreement

During the membership intake process, Sigma Omega Nu may share information with you that is private and not meant to be shared outside of the sorority. This includes anything about our traditions, ceremonies, operations, finances, materials, or any other information that is only known to sisters (including Little Sisters) of Sigma Omega Nu.

You agree not to use or share this information with anyone unless you first get written permission by email from Sigma Omega Nu's National Board. The only exception is if you need to share the information with university officials because it is required for university rules, investigations, or the law.

You agree to treat Sigma Omega Nu's private information as carefully as you treat your own. If you break the Confidentiality Agreement, Sigma Omega Nu may take legal action. _____(Initials)
